About eNtsa

eNtsa is an engagement institute within the Nelson Mandela University. As an internationally recognised innovation hub, we focus on engineering design, component and material testing, prototyping, industrial R&D and composites engineering. Furthermore, through uYilo eMobility Technology Innovation Programme, the institute serves as national multi-stakeholder collaborative programme focused on enabling and facilitating electric mobility technology development to accelerate the development and commercialisation of electric mobility technologies.

This event is an eNtsa Training Academy initiative

eNtsa continuously strives to enhance technology innovation and to stimulate a climate of sustainable socio-economic growth in South Africa, and maintains strong relations with the Technology Innovation Agency and the Department of Science and Technology
